Testing for Banner 9 in PPRD will be available at 1:00 pm, 22 January 2020.

We will be preparing production, PROD, system but do not have a GO-LIVE date determined.

Production Cut-Over (GO-LIVE) date will be determined based on:
- system preparedness
- testing completion
- approvals from Management to GO-LIVE.
Banner 9 Essentials – Use Browsers

FIREFOX - preferred

CHROME – preferred

EDGE can be used but if you have issues, go to Firefox or Chrome
BE AWARE:

- PPRD DATA is from before 1 NOV 2019. No current data in PPRD.
- Use your Test Plans to walk thru the process and note if there is a significant change in processing.
- Use your video as your navigation guide.
- No REPORTS, No JOBS, and No SELF SERVICE are ready for testing. Once ready, we will notify the TEST Team.
- User Training for Banner 9 Essentials Navigation is not available as of yet.

Kickoff for Banner 9 Essentials Testing – 22 Jan 20

Banner 9 Essentials Testing in PPRD Environment:

• URL for PPRD Banner 9 Essentials will be published once user access is granted at 1:00 pm, 22 January 2020.

• Use Test Plans created in December for your area
  • Submit back using assignment number once completed

• Daily Zoom Testing Recap meeting from 3-3:30 pm daily during testing period beginning Thursday, 23 January 2020

First day is to get familiar with Banner 9 Essentials
Banner 9 Essentials Zoom Meetings – Testing Daily Recap/Updates – 3 pm

NOTE: Do not put your phone ON HOLD during a Zoom session without MUTING your call. ON HOLD calls causes music to play and no one can continue talking in the session because of Music playing. Please always Mute your session.
Connected within the HU Network, you may try using the following devices in Banner 9 Essentials:

- Desktop
- Laptop
- macOS
- Cellphone ** Must have updated SW or will be denied access
- Tablet ** Must have updated SW or will be denied access

**Testing required by Computer Center
If you have VPN access, you can test it from home, etc. as long as you are on the HU Network. No outside HU URL is available for use.

ALL requests for VPN access must be submitted to Dr. Alissa Harrison, AVP for Information Technology
During Testing – Submit Completed Tests

• During Testing period for Banner 9 Essentials (after 23 Jan), please send completed actions after each 3 pm Zoom meeting

• Use [Ticket-3726] to submit into trackit-ticket@hamptonu.edu your completed test

• Banner 9 Essentials TEST (PPRD) System will remain up.
• Any Banner 9 upgrades needed to the system will be communicated via Banner9EssentialsGroup notice
